Public Transport

Go to "Charleroi-Sud" train station. Then take the Bus 68 "Charleroi-Sud - Gosselies Aéropôle", get off at "Technofutur 3" stop. Return: in the same direction as arrival, as the bus makes a loop back to the train station.

Do not take the direct bus to the airport, as there is a fence between the airport and the Aeropole. In this case, take a taxi or call your contact at CETIC!
