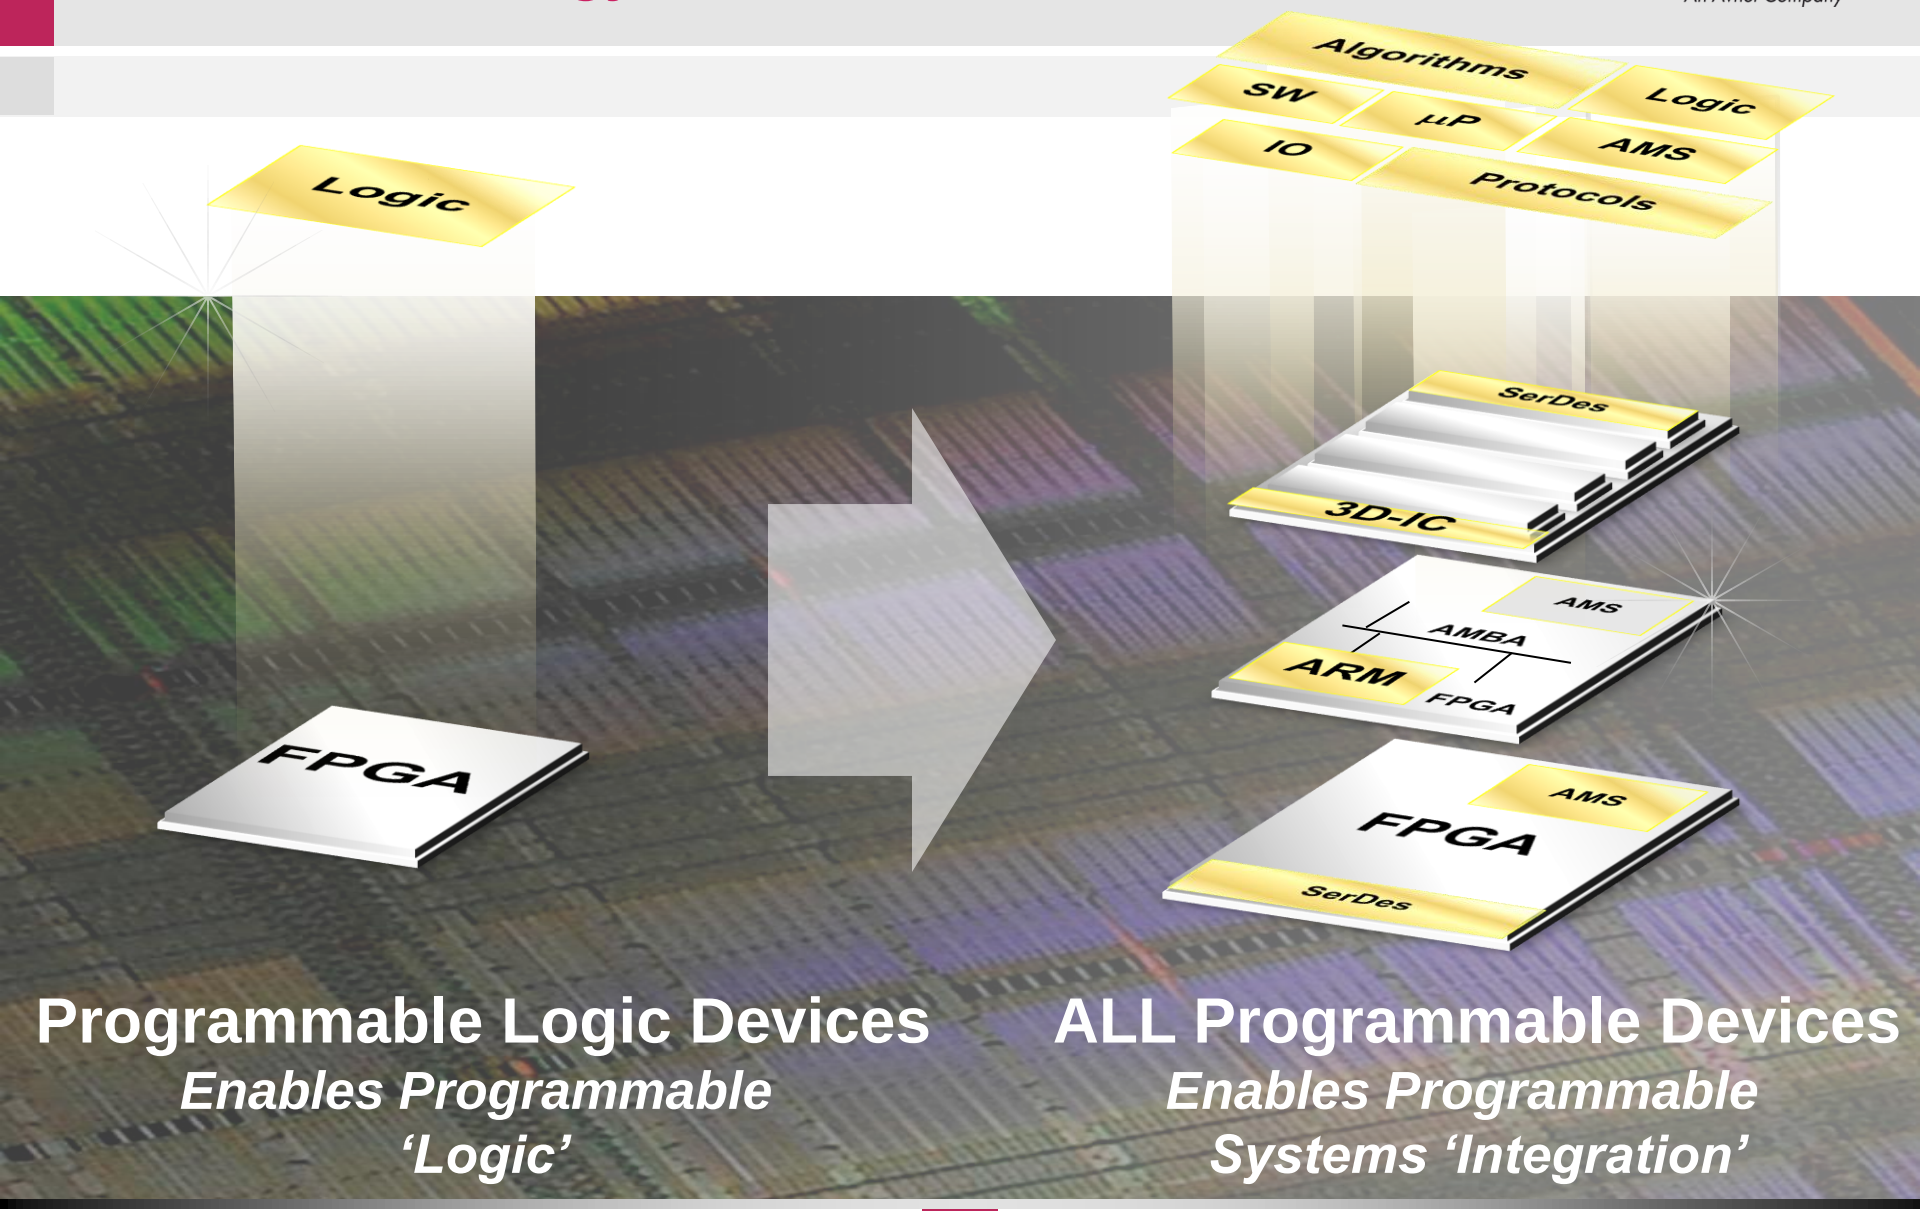
SILICA - The Engineers of Distribution.

December 2012

SILICA Linecard

XILINX
ALL PROGRAMMABLE™

Xilinx Technology Evolution



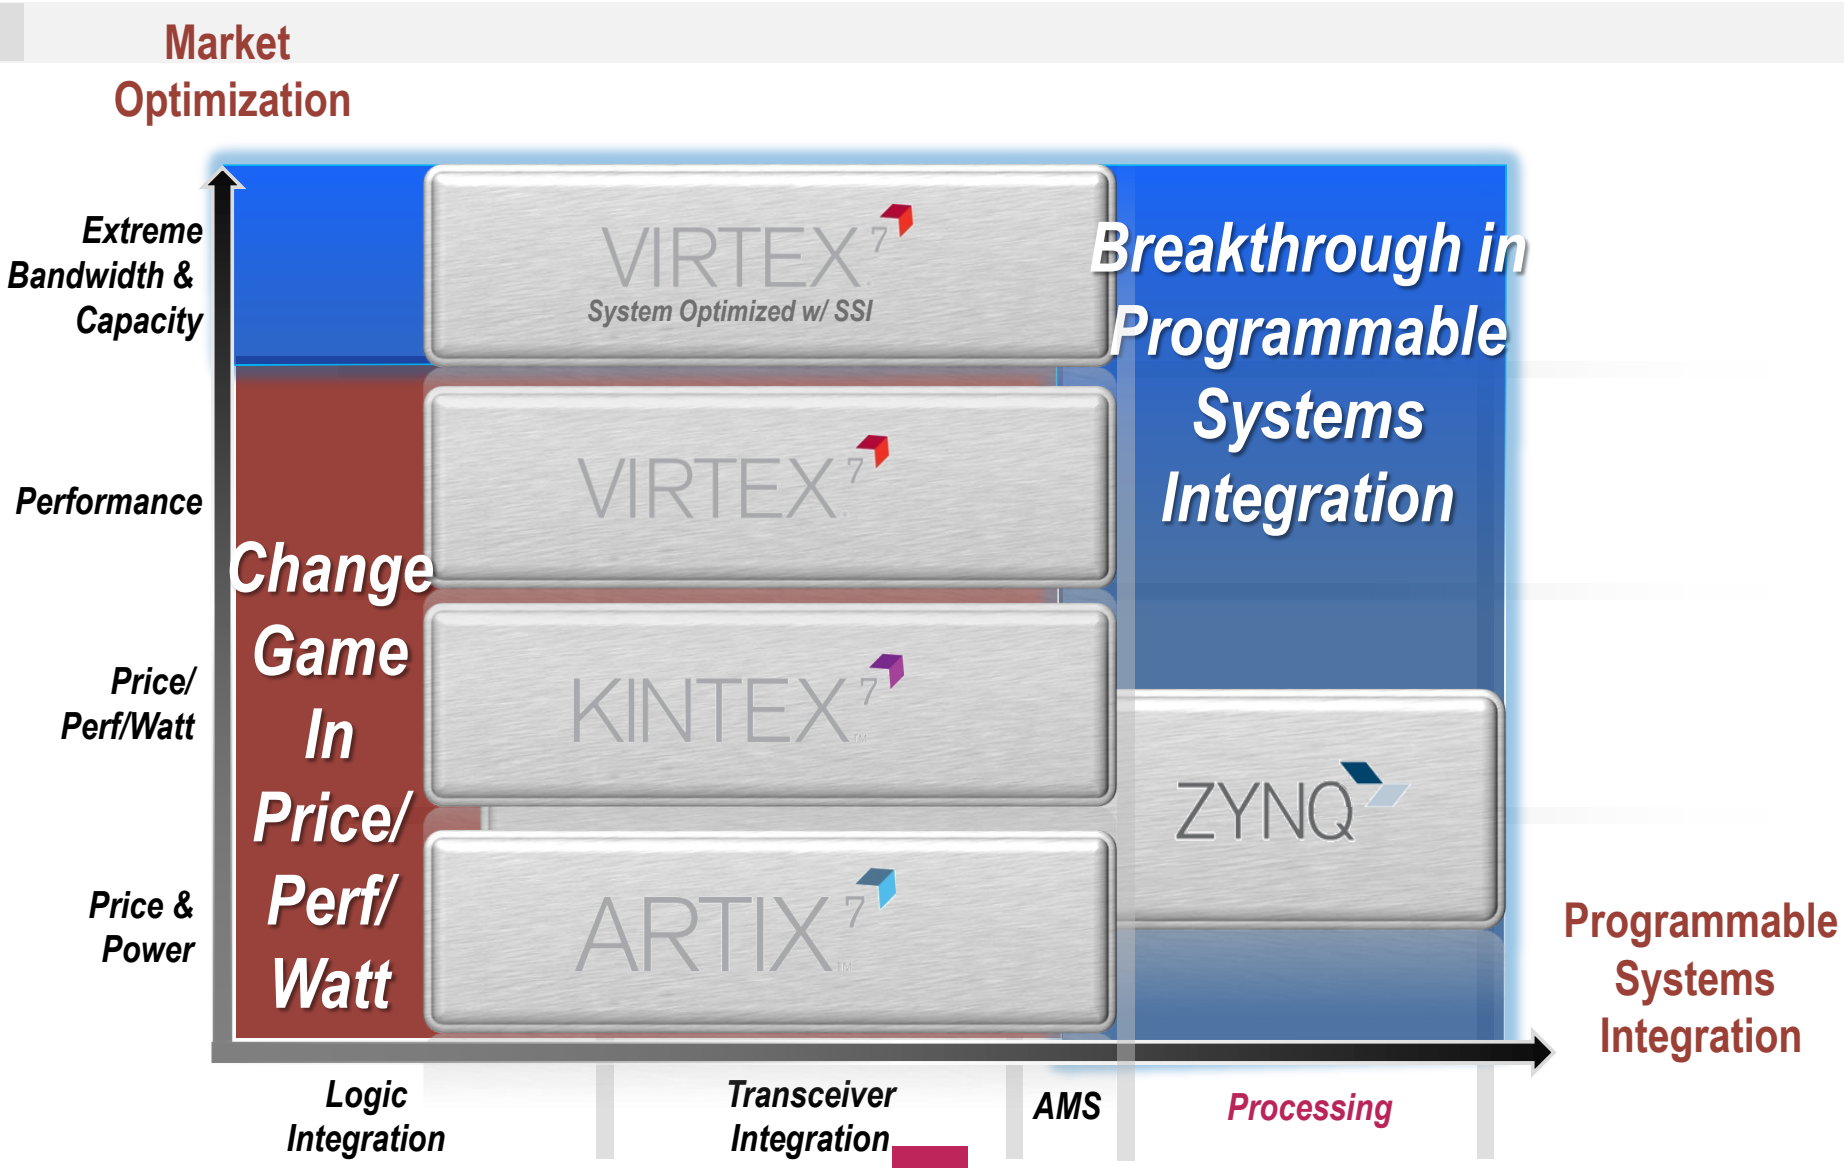
Programmable Logic Devices

Enables Programmable 'Logic'

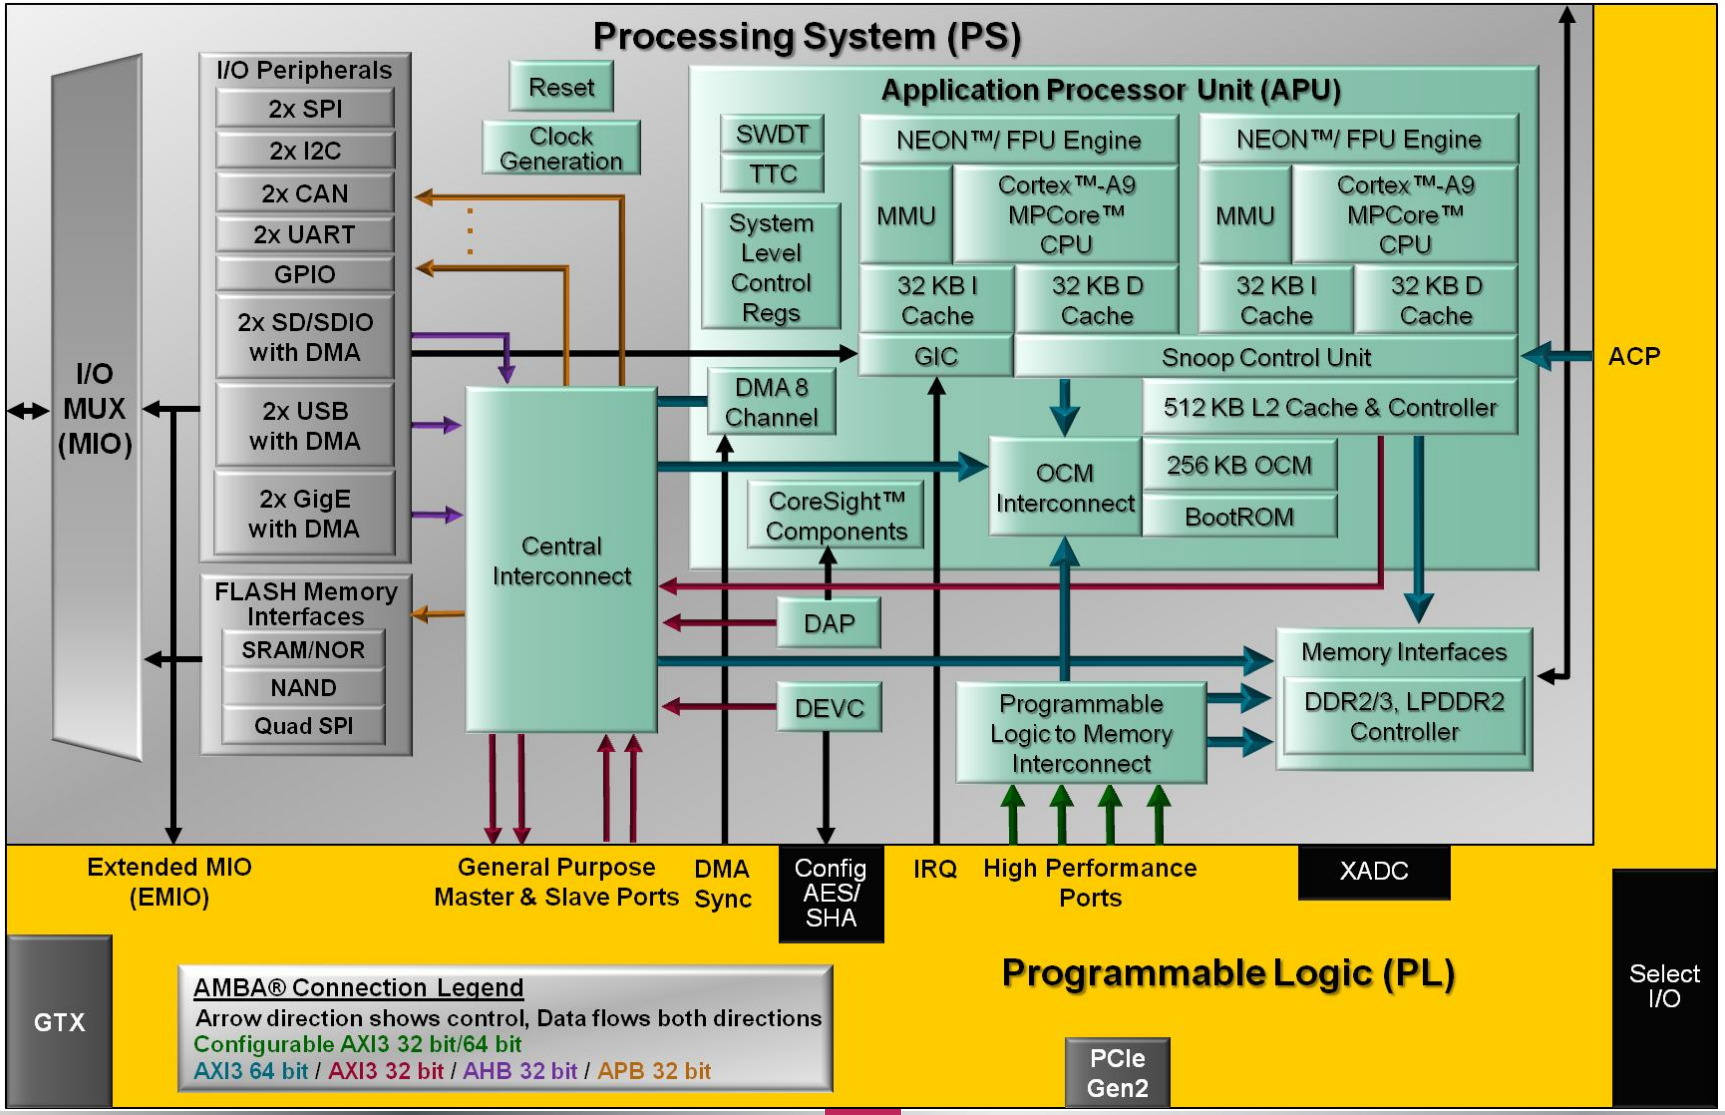
ALL Programmable Devices

Enables Programmable Systems 'Integration'

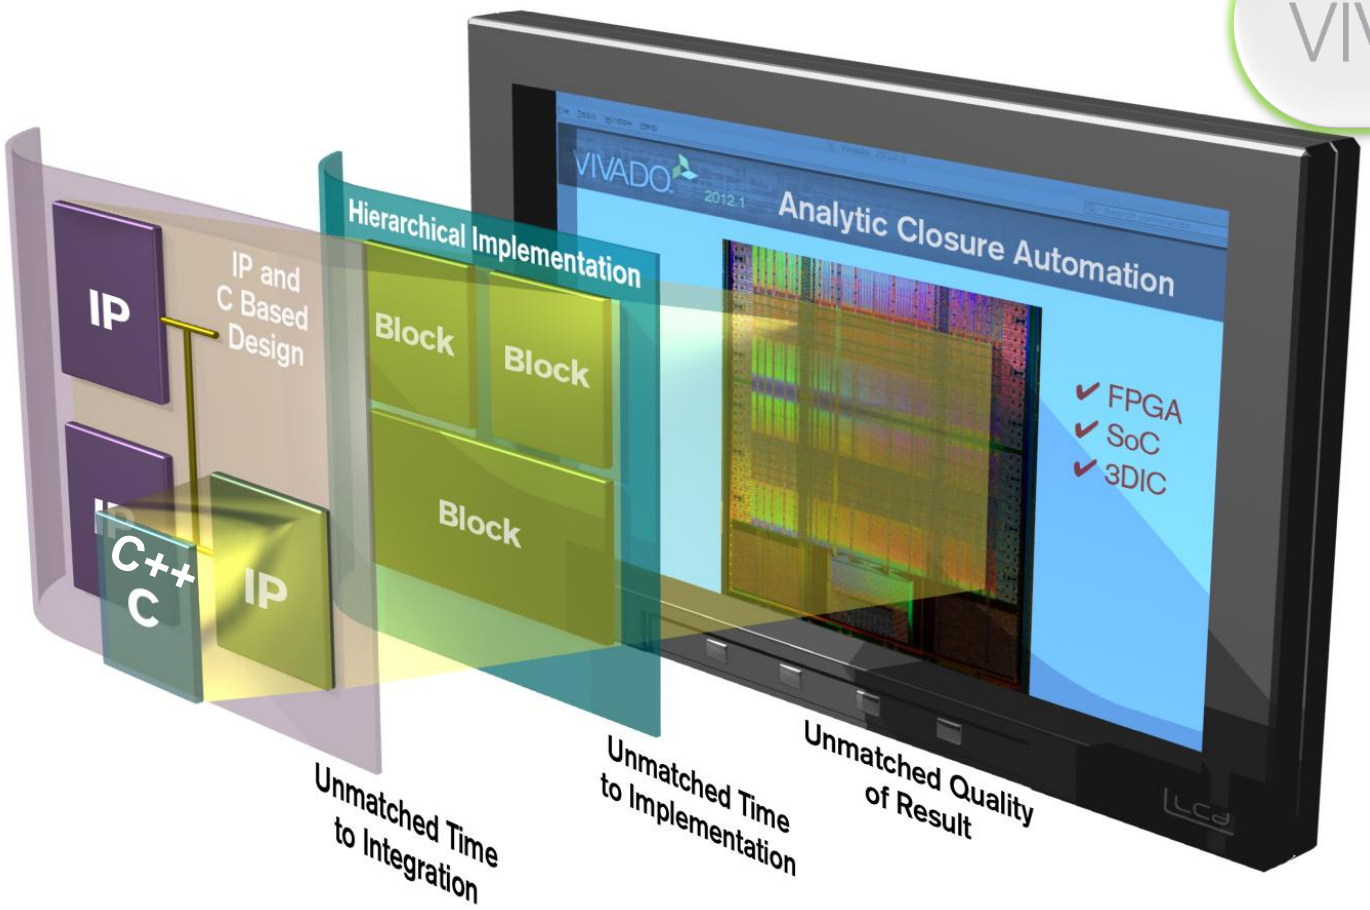
28nm: Breakthrough in Optimization & Integration



Zynq-7000 EPP System Level Block Diagram



The First SoC Strength Design Suite



IP & System Centric Next Generation Design Environment

Accelerating Integration & Implementation up to 4X
